

Supplement to Feb 2009 issue – Issue No 36

Science communication: careers and courses in India

1. The Centre of Science Communication (CSC), Devi Ahilya University, Indore offers a two-year full-time regular Master of Science programme in science communication.

It is a fellowship-based programme funded by the NCSTC. The Centre admits 20 students each year and ten fellowships of Rs 700 per month each are given to meritorious students.

2. The Centre has also started a one-year PG Diploma in Science Communication through correspondence mode. For more details, visit www.csc.dauniv.ac.in

3. The Institute of Mass Communication in Science and Technology, Lucknow University, is also running a similar course – M Sc Mass Communication in Science. It is also a two-year full-time regular programme funded by the NCSTC. The Institute admits 40 students each year.

4. The National Council for Science Museums (NCSM) in collaboration with BITS, Pilani, is offering a two-year regular MS degree programme in science communication at Kolkata. The NCSM gives five fellowships of Rs 5000 per month each to meritorious students admitted to the course. For more information, visit www.ncsm.gov.in or www.bits-pilani.ac.in

5. The Indian Science Communication Society (ISCOS), Lucknow is running a one-year 'Certificate in Science Journalism' programme. The programme is open to anyone with a basic degree in any branch of science. ISCOS admits 100 students each year. It is a distance course executable either on-line or through correspondence.

For details, visit www.iscos.org

6. Recently, Makhanlal Chaturvedi National University of Journalism and Communication, Bhopal has also started a One-year PG Diploma in Science and Technology Journalism. Visit www.mcu.ac.in

7. The Department of Journalism and Science Communication, Madurai Kamaraj University, also offers an NCSTC-funded PG Diploma in Science Communication. In addition, the National Institute of Science Communication and Information Resources (NISCAIR), CSIR, New Delhi also organizes short-term science-writing training workshops. Visit www.niscair.res.in
